### School Stream Coming Next Term!

As mentioned, last week, our new application 'School Stream' will go live on the first day back next term!

There are many cool features in 'School Stream'. We will highlight these features each week in the newsletter. This week we look at the newsletter and permission slip features:

### Newsletters straight to your smartphone

Tired of searching for newsletters in the bottom of your child's bag only to finally find them covered in yoghurt??? Did the dog eat your newsletter before you had a chance to read it?? If you answered yes to any of these questions, then School Stream is for you!! Newsletters appear directly on the application every Monday afternoon. Sweet as!

### Permission slips made easy

Permission slips often get lost or misplaced. Once finally found, you never can seem to find a pen to fill it in!!! Also, children often forget to hand in the permission slip to the teacher which necessitates a frantic phone call home on the day of the trip! All good though... with School Stream, parents can easily access permission slips from the application. No worries!

### Principal's Award – Gaby Dufty

Gaby is a very friendly, happy and fun girl. She has an enthusiasm for others and is always very inclusive. She can be relied on to make new children welcome in the class and it is lovely to see the way she cares for them and helps make them feel settled. Because of her friendly manner and the interest she takes in others she is popular with both senior and junior children in the school.

Gaby is a real role model in Room 2 with her attitude to school life and learning. She gives everything a go and is developing a real 'I can do it' attitude. She has great work habits and settles quickly to tasks and will quietly and independently work to achieve them. It has been great to see her grow in confidence of late and begin to challenge herself and take more risks with her learning.

## Principal's Award – Continued

One of the things to be admired about Gaby is the way she will give anything a go. Whether it's academic, sporting or cultural she always goes for it. She loves to dance and sing and loves including others in the fun of it. We really enjoy that enthusiasm she brings to Room 2.

Gaby has lovely manners and a caring nature and is a real pleasure to have in the class. She is a champion Dojo points getter in Room 2 and has gained lots of points for Tawhirimatia - they are lucky to have her in their house.

Miss Scott and Room two are very lucky and proud to have Gaby in their room.

## Family and Friends
