Parent Communication Applications - Information Evening

We now have three methods of online communication with parents:

Seesaw – a tool to share children’s learning

Class Dojo – a tool to share children’s behaviour

School Stream – a two-way communication tool to share information and alerts

We are holding an information evening on **Thursday 17 August at 5.30pm**. At the evening we will be sharing how to use and get the best out of the applications. The evening will give parents the opportunity to ask any questions they may have.
