Free Parent WIFI Access

Parents can now connect to our WIFI network for free! All you need to do is bring in your device and we will enter the password for you. See Steve or Lynda in the office for assistance.

Tohea Shield

Ebbett Park School will again be challenging schools for the Tohea Shield next Thursday 31 August. We will be competing against Raureka, Irongate and Mayfair School in netball, soccer and rugby. The shield is being held at Raureka School.

The teams have been selected and children are preparing for a big challenge! We would love to see you all support our teams. Games start at 10.30am.

School Stream

For those yet to connect, School Stream is available on the Google Play or Apple App Store. The passcode is: 1212.

Principal's Award – Hinemanu Tutaki

Hinemanu is an absolute pleasure to have in our classroom. Every morning she walks into school with a smile on her face that is contagious to all children and adults.

Hinemanu shows excellence in her learning every single day. She takes responsibility for her own learning and ensures that she is at school on time, has completed homework and has everything she needs in order to have a successful day. She is always reflecting on her learning goals and will discuss with the teacher ways in which she can improve her work. She doesn't just talk about it - she will go and put these brilliant ideas into action immediately! She has made HUGE improvements this year because of her awesome attitude towards learning. She is full of amazing ideas for all topics and she loves to share in the classroom. She is sensible and responsible and is therefore always chosen to ensure special jobs are done around the classroom and school.

Hinemanu is the best friend anybody could ask for. She is kind, caring and a tonne of fun! She has friends all around the school and likes to ensure everybody feels included and welcomed. You will always see her running around with friends, passing on her contagious smile and giggle in the playground and also in the classroom. Hinemanu is often seen putting other children before herself. She will help others with their work, miss out play time to look after a friend, or will share items around to ensure everybody is having a good time.

Everybody has loved seeing Hinemanu grow since starting at EPS. We are so very lucky to have her in Room 5 and Miss Kereama is even luckier to have had her in her classroom for two years!

Gymnastics Festival

Last week we took a group of children to the gymnastics festival held at the Omni gym in Napier.

The children participated with enthusiasm and represented our school well.

Thank you Dee Tahau for your time working with our children.
