Dog agility display

Our children loved the dog agility display last Thursday! Thanks to one of our lovely neighbours, and her friends, for bringing their cool dogs to school.

Swimming Pool use out of hours

A reminder that the school swimming pool is only for use during the school day and under the control of school staff. It is not to be used by anyone else after school or on weekends.

We have had a few people climb the fence and use the swimming pool out of school hours. This is very dangerous, both from the potential injury of climbing the fence and risk of drowning. In addition to this, strict pool testing regulations make it impossible to open the pool to the public.

A live video camera has now been installed to deter anyone considering entering the pool area.
