

EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

It is all happening at EPS!

We are very excited to announce that our new Ebbett Park School principal is Kate Medicott. Kate is currently the Deputy Principal at Mayfair School and spent time as a principal at Tutira School. We are looking forward to having Kate as a part of our Ebbett Park whanau.

Principal's Award

Congratulations Hayley for being our first Principal's Award winner for 2018. Hayley is a well mannered and polite student. She shows pride in everything she does, has an excellent attitude towards her learning and shows tremendous spirit in the classroom and in the playground. Hayley always follows instructions the first time and is willing to help others if needed. She is the first to volunteer when needed and can be relied on to perform her best. In class, Hayley works well both individually and in a team. She listens and shows respect. Hayley is an EPS kid!

Seesaw

A free app to access your students learning and experiences while at Ebbett Park School.

ClassDojo

A free app we use to reward students and an easy way to communicate with your child's teacher.

Schoolstream

A free app for us to share notices, for parents to sign permission slips and to inform us of your child's absence.

Reading Champion!

Robby has made amazing progress in Reading and Writing. He is a super fast writer and can now write 65 high frequency writing words. Robby has gone up 13 reading levels! Everyday he turns up to his lesson with great spirit and is very proud of his achievements. Way to go Robby! Mrs Bush is very proud of you.

PB4L at Ebbett Park School

These are our two new expectations for weeks 5 & 6. Hopefully students have come home and have shared what we are focusing on in class.

- **I will look after our environment.**
- **I will keep my hands, feet and hurtful words to myself.**

If your child is away from school for any reason please contact the office or message us with Schoolstream.

Head Lice

It is nit season again. With the hot weather we have noticed an increase of students having head lice.

School policy is that if a child is identified as having head lice the parents and class will be contacted and asked to check and treat their whanau. If your child has long hair, please ensure it is tied back.

We no longer have KidsCan providing their amazing 'check and treat' service however we still have their facilities on site to use.

Dee Tahau has offered to volunteer her time on a Friday afternoon to check and treat our students. If you are concerned and wish Dee to check please complete the permission form below.

If you wish to treat your child yourself we have free product available (nit spray and comb). Just contact the office and we will arrange it.
