PUBLIC HEALTH NOTICE

A message from your Public Health Nurse:

As you may be aware there are currently multiple outbreaks of measles in New Zealand and at least 140 confirmed cases reported so far in 2019. Measles is a serious, highly infectious viral disease that is easy to prevent through immunisation. **If your child has had two doses of the Measles, Mumps and Rubella (MMR) immunisation they are protected.**

As there is a high chance that measles could spread to Hawke's Bay, we urge you take the following steps to make sure your child is protected:

Check your child has had two doses of the MMR immunisation.

- If your child only has a record of receiving one dose of MMR they should have another as soon as possible
- If your child has no record of MMR immunisation they should have one dose now and a second dose FOUR weeks later.
- **Immunisation is FREE from your GP or Practice Nurse.**

Please make sure your child's school has a copy of their immunisation certificate. If your child has contact with a person with confirmed measles they may be asked to keep away from school for up to two weeks if there is no record of them having been immunised against MMR.

Immunisation is highly recommended as it protects your child and helps prevent the spread of infection in the community when an outbreak occurs.

If you require further information, you can find out more from the Ministry of Health's website www.health.govt.nz/measles

Help your child with **reading**

I spy

Play 'I Spy' games.
Can you find words beginning with...? Can you find a picture of a ...? How many ... can you see?

Ask questions

Ask questions about the story as you read it e.g. What is the story about? Why do you think they made that choice? Was it a good choice? Why did that happen? What do you think will happen next? What was your favourite part of the story? Why?

Make it fun

Enjoy reading together. Give characters funny voices and engage with the pictures. Make a game out of finding words that rhyme or start with the same sound.

Be seen

Make sure you are seen reading. Keep books and magazines at easy reach.

Get out

Go to your public library regularly. Find the books you loved as a kid to read together.

Create

Use reading to inspire drawings or new stories.

Go online

Look online & in app stores for appropriate word & spelling games.

Make space

Have a special place or a certain time when you read together.

Read everything out loud.

Books, poems, nursery rhymes, newspaper & magazine articles, food labels... anything that is close to hand!
