WHAT'S BEEN HAPPENING

Values Bands

It was so great to be able to start the term by awarding 2 more values bands. Congratulations to Leo who received his 'SPIRIT' band and Starr who was awarded his 'EXCELLENCE' band.

What a great start to the term.

Pizza Party - end of term fun

At the end of the term the school library was filled with students and pizza! This was the celebration for those that had successfully met the challenge of the Hellz Pizza Reading Wheel. Students from all years groups took part and it was so lovely to see so many of our students sharing a special lunch and reading together. Well done to you all.

Thank you to Mrs Bush for all the work she put in organising the helpers and getting the students motivated and to the helpers themselves. It was lovely to see you in at school each week.

BOOKS, BLOKES AND BREAKFAST

What a MASSIVE turn out! It was another successful event and a wonderful way to end the term. Thank you to all those that attended. We have nothing but positive feedback and look forward to doing it again. To the mum's/aunties/sisters/nana's etc please do not fear we are planning a **Books, Babes and ?** for you in the not so distant future. Keep your eyes out for more details!

More photo's of this event can be viewed in the school hall.

PUBLIC NOTICES

A message from your Public Health Nurse:

We have a child with measles in Hawkes Bay. Measles is a serious, highly infectious viral disease that is easy to prevent through immunisation. We suggest you release the following information again to your whanau and wider community.

If your child has had two doses of the Measles, Mumps and Rubella (MMR) immunisation they are protected.

As there is a high chance that measles could spread throughout Hawke's Bay, we urge you take the following steps to make sure your child is protected:

Check your child has had two doses of the MMR immunisation.

- If your child only has a record of receiving one dose of MMR they should have another as soon as possible
- If your child has no record of MMR immunisation they should have one dose now and a second dose FOUR weeks later.
- **Immunisation is FREE from your GP or Practice Nurse.**

Please make sure your child's school has a copy of their immunisation certificate. If your child has contact with a person with confirmed measles they may be asked to keep away from school for up to two weeks if there is no record of them having been immunised against MMR.

Immunisation is highly recommended as it protects your child and helps prevent the spread of infection in the community when an outbreak occurs.

If you require further information, you can find out more from the Ministry of Health's website www.health.govt.nz/measles
