

## EBBETT PARK SCHOOL

EXCELLENCE, PRIDE &amp; SPIRIT

## THINGS TO NOTE

## INTERMEDIATE SCHOOL Y6 VISITS

It's that time of year again when families of our year 6 students are asked to consider the Intermediate they will attend. Information will be sent home to inform you of the dates and times of visits and open evenings. Please keep your eyes open for this information when it comes home.

## NETBALL DRAW - Thursday 1st August

Ebbett Park Electric Vs Raureka Black: playing at Raureka School

Ebbett Park Elite Vs Takitimu: playing at Ebbett Park School (front court)

## NETBALL RESULTS

EPS Elite played Mayfair Marvels and won 17 / 4 and EPS Electric played Mayfair Mystics and won 17 / 15. It was lovely to have the two games here and to play Mayfair School. I am so proud of the performance the Ebbett Park School put in on the day. Great wins for both teams.

Congratulations to: Hinemanu, MIP for the Electric and Sina, POD for the Electric and for the Elite team: Doris and Leahmara both awarded MIP and Ardie J and Faimafili both awarded POD. Outstanding to you all. Only 3 games to go so lets hope the weather holds out for us to end the season on a high note.

## Kapa Haka

We have organised for our Kapa Haka group to visit and perform at the local Early Childhood Centres throughout this term. This is a chance for the group to practise in front of an audience. While I understand that whanau wish to view I ask that you appreciate the size of the venues and can patiently wait until the school performance. I appreciate your understanding in advance.

**Seesaw**

A free app to access your students learning and experiences while at Ebbett Park School.

**ClassDojo**

A free app we use to reward students and an easy way to communicate with your child's teacher.

**Skool Loop**

A free app for us to share notices, for parents to sign permission slips and to inform us of your child's absence.

## WHAT'S BEEN HAPPENING

### Classroom Champions

Congratulations to the **Classroom Champions** for week 1 of this term. Great to see the hard work and dedication to learning back in full swing already.

Well done to: Piripi, Hinemanu, Kade, Ardie J, Lhyrikx, Mahina and Tangaroa T. Great to see Spirit and Excellence so alive at Ebbett Park School. Keep making us proud.

## Celebrating Success Outside of School

### REP Achievement

A very big **CONGRATULATIONS** to Victory Voice who has successfully made the Hawke Bay Under 11 Rugby League team.

What an amazing achievement! We are all very proud of you.

## WHAT'S COMING UP

# PUBLIC NOTICES

A message from your Public Health Nurse:

We have a child with measles in Hawkes Bay. Measles is a serious, highly infectious viral disease that is easy to prevent through immunisation. We suggest you release the following information again to your whanau and wider community.

**If your child has had two doses of the Measles, Mumps and Rubella (MMR) immunisation they are protected.**

As there is a high chance that measles could spread throughout Hawke's Bay, we urge you take the following steps to make sure your child is protected:

**Check your child has had two doses of the MMR immunisation.**

- If your child only has a record of receiving one dose of MMR they should have another as soon as possible
- If your child has no record of MMR immunisation they should have one dose now and a second dose FOUR weeks later.
- **Immunisation is FREE from your GP or Practice Nurse.**

**Please make sure your child's school has a copy of their immunisation certificate.** If your child has contact with a person with confirmed measles they may be asked to keep away from school for up to two weeks if there is no record of them having been immunised against MMR.

Immunisation is highly recommended as it protects your child and helps prevent the spread of infection in the community when an outbreak occurs.

If you require further information, you can find out more from the Ministry of Health's website [www.health.govt.nz/measles](http://www.health.govt.nz/measles)

## Worried about measles?

You may have heard there are measles outbreaks around the world at the moment, including here in New Zealand. Measles can be dangerous for children and adults.

Please get your children vaccinated at 15 months and 4 years old to prevent measles. It's free at the doctor.

If you or your child has not had a measles vaccine, please see your doctor.

The symptoms of measles are a fever, runny nose, cough, red eyes, then a rash. You can spread measles to others from five days before, until five days after, the rash appears.

Been close to some one with measles? Or showing symptoms? Stay at home and call your doctor or Healthline (0800 611 116) for advice. Healthline has interpreters – when your call is answered, say you'd like an interpreter and the language you'd like to speak in.
