WHATS BEEN HAPPENING

Edible Fashion Awards

Introducing Harmeet-o-cookie Monster 2.0. He is completely recyclable! Made out of used cookie wrappers and yogurt suckies. He has colourful dreads made from pasta and food colouring (which we did not get on our shirts!). He is an egg face, literally! Because his eye is made from an egg shell that is coloured and has liquorice features.

We are so very proud of the work that you put into this project and look at the result!

CONGRATULATIONS ROOM 9...2nd Runner Up in the 2019 Edible Fashion Awards!

It is clear that hard work DOES pay off - FANTASTIC RESULT

If anyone is interested in seeing some of the entries in this competition they will be on display at the Art Gallery.
