

EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

Welcome back to term 4. I hope everyone has had a restful holiday break. We have 10 weeks in this term and they will be over before we know it.

Please read the calendar attached to this newsletter as it has up to date details about the events happening this term.

It is important to note that SCHOOL HATS are required this term. Please ensure that they are washed and named so that they can be returned if your child happens to leave it somewhere. There is a weeks grace to ensure everyone has their hats before students will be asked to sit in the shade during our break times if they do not have a hat. New hats can be purchased from the school office, \$8.

Things to note...

Assemblies

After feedback from staff, students and community we have made a change to assemblies. We will now be holding a values assembly on a Monday at 10.50 where, as a school, we introduce the values focus for the week. We will then be returning to celebration assemblies on a Friday afternoon at 2pm where classroom champions, values band etc will be awarded. We hope that whanau will attend and celebrate in our student successes.

Teacher Only Day

Reminder: we will be having an extended holiday during the long weekend of HB Anniversary and Labour Day as we will be having a TOD on the Tuesday also (please see the calendar attached). This has been in the calendar since last term so please ensure you have made arrangements for your child/children.

Loud Shirt Day - This Friday. To show our support to our deaf community Ebbett Park School students will be able to wear a 'loud shirt' on Friday 18th October. They will wear their shirt with the rest of the uniform. This was officially held on the last day of term 3 but as it clashed with our dress up day we are doing it this week. Please check out the staff as they will be wearing something very special on this day also!

Seesaw

A free app to access your students learning and experiences while at Ebbett Park School.

ClassDojo

A free app we use to reward students and an easy way to communicate with your child's teacher.

Skool Loop

A free app for us to share notices, for parents to sign permission slips and to inform us of your child's absence.

Hall Heating and Cooling

During the holiday break 3 heat pumps have been installed in the school hall. We would like to thank the community and BOT for funding this installation and know that this now means the hall will be warmer during the winter months and cooler during the summer: Thank you all for your support to raise the funds for this to go ahead.

Neighbours Driveways

A number of our surrounding neighbours have been in and spoken with me regarding our parents/whanau parking in their driveways during drop off and picks ups. Out of respect for their request we ask that our adult community NO LONGER park in driveways please. I know that the front of the school can get very congested during peak times and suggest that Wall Street might be another option for pick up and drop offs. We need to keep our neighbours happy as they look out for the school during the holiday times.

What's Been Happening

Book Week

The last week of term 3 was filled with fun and excitement of our school book week. Thank you to Mrs Anna Bush for all the planning and organisation that went into the set up and running of this great week. Thank you to the students, staff and whanau that participated in all activities with dedication and commitment. There are many photo's from the week and these will be put up in the hall for everyone to view. Here is a sneak peak of a few...
