Getting Back to NORMAL

It is so lovely to have everyone back in at school and see everyone together! Today was the first ASSEMBLY we have had in 3 months! While it was a cold start to the morning it was great to see more of our learners walking to school all 'rugged up' and warm. Thank you to everyone who continued to follow the arrival at school plan. It was lovely to be able to welcome learners in the morning.

Growing Through Grief

ACW provides the Seasons for Growth[®] programme, which offers peer-support groups for children, young people, and adults who are experiencing change, grief and loss in their lives. This may include the death of a loved one, parental separation or divorce, moving house or school, as well as many other life changes and losses.

Seasons for Growth[®] aims to strengthen the social and emotional wellbeing of children, young people, and adults who have experienced significant loss and change, and to support individuals to adapt to what they are experiencing.

The metaphor of the four seasons provides a framework within which participants can explore their experiences of grief with others, develop skills and understanding, and restore self-esteem and self-confidence. This occurs in the safe atmosphere of small support groups facilitated by trained volunteers called Companions.

We have access to this programme starting in term 3. We have two groups available. If you are interested in knowing more or having your child/ren participate in this please contact Kate for registration details: kmedlicott@ebbettpark.school.nz or call the office.

BOOKS, BLOKES and BREAKFAST

This is taking place on Wednesday 1st July, 2020. We are asking Learners to bring their favourite 'bloke' with them to be part of this.

Cooked breakfast will be provided

Please look out for the NOTICE that will be out to whanau on Wednesday this week.

Please RSVP as this ensures that we have catering numbers.

UNIFORM and Warriors Jackets

Now that the weather is getting cooler it is important for our learners to have all the correct uniform they require. Sweatshirts are an important part of this. However, some students are arriving at school with 'mufti' items and this is not acceptable.

Please ensure that your child/ren are dressed in their school polo shirt, blue short, skirt or long track pants and have their logo embossed sweatshirt. Each child has been provided with a warriors jacket (care of KidsCan). They are able to wear this as part of the school uniform.

Please do not be offended if your child is requested to remove a clothing item that IS NOT school regulation.

If you have concerns regarding the uniform please contact the school office.

Values Focus.

This week focus: Excellence

Junior Team: Be an example

Senior Team: We love being an example at Ebbett Park.

YMCA

The YMCA is operating three exciting holiday programmes across HB, based at Taradale Primary, Henry Hill School in Napier, Raureka School in Hastings and from the Hastings Sports centre. We have a mixture of old favourites, onsite and offsite activities and activities that will allow the children decompress and feel a sense of normalcy after the disruptive time they have experienced this term. We would love it if you could promote our programme through your newsletters and other communication forums such as Facebook. I have attached a jpeg with the Holiday Programme details.
