

EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

We hope this weeks newsletter finds you all safe and well.

Lets begin by saying a massive THANK YOU to all those families that have supported the social distancing and school attendance during level 3.

We continue to be in level 3 and encourage everyone that can keep your children home to do so. We HIGHLY support the idea that learners are ONLY at school because there is NO family bubble members to supervise them during school hours and not because they want to be at school.

If you HAVE TO send your child/ren to school and this is a change from last week you MUST contact Kate (kmedlicott@ebbettpark.school.nz) to inform her as changes to staffing and space may be required and safety expectations need to be communicated.

PLEASE do not just send your child in without contacting and discussing with Kate first. Keep safe and we appreciate your understanding and support during this very strange time.

Online learning will continue until it is no longer necessary.

During this time school's are running as they would normally do so which means staff are actively involved in Professional Development. This week we are all involved in online learning around Restorative Practice. This may mean that teachers are not available for direct contact during some of this week.

HAVE A GREAT WEEK EVERYONE

Please follow these simple rules:

Tell us your plans early

- Let us know early that your child will be attending so we can plan for them.

Essential visitors only

- Please ensure your visits to the school or early learning service are essential.
- Use the sign-posted entry point.

Drop off and pick up your child at the time you are given

- Your early learning service or school may require you to drop off or pick up your child at a particular time.
- Please help with staggered arrival and pick up times, if required.

Record your visit in the register

There are two registers:

- **Visitor register** - All site visitors must be recorded in the visitor register, which will record your name, time in and out, date, phone number and physical address. This assists with contact tracing if necessary.
- **Contact tracing register** - Your school or early learning service also keeps a register that identifies which children and adults are in each teaching space.

Maintain a 2 metre distance at all times

- Keep any on-site visit short.
- Maintain a 2 metre distance from those who are not part of your household, workplace or school bubble.

Sick children must stay at home

- Please keep children at home if they are sick. A sick child will be sent home.
- If your child is at higher risk of severe illness from Covid-19, they must stay at home.

Practice good hygiene

- Wash and dry your hands, cough into your elbow, don't touch your face.
- There's hand sanitiser available around the school or early learning service. Please use this if you touch surfaces.

Covid-19 cases

- You will be advised if your school or early learning service is connected to a confirmed or probable case of Covid-19. You will be advised of any actions to be taken.
- The site must close for 72 hours to allow contact tracing and cleaning. They may be physically closed for a further 14 days.
