14-20 MAHURU 2020

During Term 3, Room 9 has been exploring kowhaiwhai, the language of kowhaiwhai and how these symbols are used to share stories and our whakapapa. Students explored the different types of koru designs used and their meanings. They then used suitable patterns to design their kowhaiwhai that explains their whakapapa. They have taken this onto Seesaw and are sharing with their families what the different parts of their kowhaiwhai mean.

GREAT NEWS

LUNCH IN SCHOOLS

We are excited to share with you that Ebbett Park School along with The Morning Kitchen will be providing lunch at school for EVERY child starting term 4

This is very exciting. I will be able to share the weekly menu with you via the school newsletter each week. Your children will not be required to bring lunch with them but I do suggest that they have a snack for morning tea. We will still have fruit provided for brain food.

Mobile Dental Clinic

The dental unit has not been able to come to Ebbett Park school this year. We are really hoping to be with you before the end of 2020. In the meantime, we will be just down the road at Raureka school from September 7th. If you are worried about any of your children's teeth, you are very welcome to contact us, and see us at Raureka. Our contact number is 027 234 2193, or 873 4870.

Please remember that brushing twice a day with adult strength fluoride toothpaste is so important to keep teeth clean and strong.
