

EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

3 Way Chats and Mid-Year Reports - HAPPENING THIS WEEK -

These are happening today and tomorrow.

School CLOSES at 12.30pm: After school Care services have been informed and are organised for early pick ups.

Whats Been Happening

We have been so very lucky with the weather that we have been experiencing. It has meant that our learners can be outside, burning energy, getting back into winter sports and generally having a run around. Long may this weather last!

Term 3 is the term when our year 6 students begin to think about and consider which intermediate school they will attend. Over the next few weeks our year 6 students will be visited by students from both Heretanunga and Hastings Intermediate and also have visits to both these schools. Enrolment forms will be coming home and it is IMPORTANT for the Whanau of our Year 6s to make the decision and enrolment our tamariki. If you are unsure and need some support or guidance please do not hesitate to contact myself or Mr Dufty as we can help you.

It was lovely to be visited by an ex-Ebbett Park Student Victory last week. He is doing well and continues to make us proud.

Vision

Empowering ako to be culturally inclusive and engaged community members of the future. Striving to excel, standing with pride and connecting with spirit.

Mission

Ebbett Park School will challenge students to excel and provide them With all they require to be lifelong learners.

EXCELLENCE
Matatau

PRIDE
Kaha

SPIRIT

School Apps

ClassDojo

A free app we use to reward students and an easy way to communicate with your Childs teacher.

Skool Loop

A free app for us to share notices, for parents to sign permission slips and to inform us of your child's absences.

Seesaw

A free app to access your child's learning and experiences while at Ebbett Park School.

Keeping Ourselves Safe Programme

Later in the term every class will be taking part in the police supported programme: Keeping Ourselves Safe.

Keeping Ourselves Safe: Information for parents/whānau

Abuse occurs in all communities, regardless of their ethnic, socio-economic, geographic and religious make-up. A child who has been abused is less likely to reach their full potential as an individual, may struggle to focus on learning, and may fail to thrive.

What is Keeping Ourselves Safe?

Keeping Ourselves Safe [KOS] consists of a comprehensive range of child protection resources to help students learn and apply a range of safety skills that they can use when interacting with others. For more information, you can access all the [KOS resources](#) and see the [frequently asked questions](#) by using the QR code here:

How parents/whānau can support KOS

Parents and whānau are strongly encouraged to support KOS by:

- ensuring the Board of Trustees has established and regularly reviews a child protection policy that includes:
- prevention procedures**, which might include implementing classroom lessons and whole-school activities that promote positive behaviours, and that encourage an environment in which children who feel abused are empowered to speak up about the abuse.
- response procedures** that clearly describe how to identify and respond to suspected abuse and neglect.
- encouraging other parents/whānau to attend parent events before the classroom lessons start
- supporting their child with the home-based activities that are included in the KOS programme.
