Whats Been Happening

THANK YOU

I just want to take the time to THANK everyone for their diligence with keeping unwell students home. I know how hard it can be taking time off and/or organising someone to look after your child when they are unwell so I wanted to let you know that we all, here at EPS, appreciate your support and understanding around the health and safety of all of our community. THANK YOU.

HOUSE COMPETITION

Given the current situation with levels and expectations it has been rather a challenge to have our usual sporting/cultural house competition running so Mr Dufty has established a house competition based on points from our ClassDojo programme. I thought I would share with you the current results as they stand at halfway through the term...
