CONSERVATION WEEK

As part of Conservation Week Guthrie Smith Arboretum, Panpac Forest Products and Hawke's Bay Regional Council have established the 'Walk Plant Discover' Programme. This programme allows a group of students to participate in a list to PanPac, take a guided educational walk through White Pine Such Scenic Reserve and then to Guthrie Smith Arboretum and Lake Tutira.

We had a group of 28 students participate in this programme yesterday (Monday 31st August). Unfortunately, due to the COVID situation we were unable to visit PanPac but enjoyed a walk through White Pine Bush and Guthrie Smith. While at Guthrie Smith they got involved in planting in an area by the lower lake. We were the only group to be planting ferns. The group that went were complimented on their behaviour and listening. They had a fabulous time and showed all our values during the day.

A wonderful experience and so lucky to be invited to be part of this programme. Thank you to Lynne 1 and Lynne 2, the parents that came with us and, of course, Panpac, Hawkes Bay District Council and Guthrie Smith.
