Keeping our students safe

As some of you may have heard there was an accident on Friday at the corner of Southland Road and Oliphant Road. I understand that this was not one of our students and am thankful for this and our thoughts are with the little girl as she heals from her injuries.

This being said I need to REMIND whanau that we have safety protocols in place and ask that you respects our school expectations that our children follow.

1. Please USE the crossings AT ALL TIMES.
2. WALK across the crossing.
3. Follow the instructions/directions of our trained ROAD PATROLLERS.

Let's work together to teach and role model to our students the way to stay safe.

Please do not be offended if a teacher asks you to do the right thing.

Student Sharing Space

I was honoured to have a student share his writing work with me. I was so impressed by his honest and thoughtful piece of writing that I asked him to share with me. Thank you Jordan.

Today I am going to talk about hero's, hero's can be normal people, pets, and your parents. I hope you read this with joy.

To start us off I'm gonna talk about our wonderful teachers and principals, I think that these people are hero's because without them we would not be who we are today.

Next we have our community helpers such as the elderly helpers, like my mum. These people are important (in my opinion) because they help out the old people and take care of people who have lived a long life and help them retire

Thirdly we have animal shelters and owners these people are hero's because they look after and care for animals for example I adopted a lovely kitten, if I didn't she would have gone to a horrible owner. Now she is safe and healthy with us

Now I am going to talk about my special hero, my mum, she is so special to me because she looks after me and gives me the essentials such as food and a roof over my head

Here are all my hero's and I hope you enjoyed reading.

PIC•COLLAGE

Mobile Dental Clinic

The dental unit has not been able to come to Ebbett Park school this year. We are really hoping to be with you before the end of 2020. In the meantime, we will be just down the road at Raureka school from September 7th. If you are worried about any of your children's teeth, you are very welcome to contact us, and see us at Raureka. Our contact number is 027 234 2193, or 873 4870.

Please remember that brushing twice a day with adult strength fluoride toothpaste is so important to keep teeth clean and strong.

SPORT

Netball:

Due to the extension of level 2 we have had to make a call around netball and our super league games. This call was not an easy one to make but given the time we have left in term 3 and the business of term 4 we have decided to **cancel** the rest of the season.

However, on another note we Ebbett Park School is planning to hold a sports afternoon for the teams to play each other as an end of the season round off. When more details are available we will share this information with you.

The players can hold onto their uniforms until this game.

I understand the disappointment this has for you and our learners and appreciate your understanding of the situation that we are currently in.

Basketball Results for Week 6:

The Year 5/6 team played Te Mata. The team experienced a loss.

Players of the Day: Year 5/6: Tyson, Jaxson and Tyler.

Year 3/4: game cancelled due to Level 2 this week.

Tohea Shield and Interschool Crosscountry

These two competitions have been cancelled due to Level 2. We will be looking at our own cross-country competition, gymnastics house competition and a sports challenge for those students that were selected to take part in Tohea shield.
