

EBBETT PARK SCHOOL**EXCELLENCE, PRIDE & SPIRIT****What's been happening****SEESAW**

At Ebbett Park School we have used the Seesaw app as a tool to share our student's experiences and learning. So far this year there have been 8374 posts placed on Seesaw by teachers and students. As teachers we love seeing parents and caregivers engaging with this tool by adding comments and affirmations. There is nothing more positive in a child's learning journey than knowing that their whanau are interested in what they are doing and how they are going. Keep up the great support whanau! Ka mau te wehi!

Keeping our Learners safe

As some of you may have heard there was an accident on Friday at the corner of Southland Road and Oliphant Road. I understand that this was not one of our students and am thankful for this and our thoughts are with the little girl as she heals from her injuries.

This being said I need to REMIND whanau that we have safety protocols in place and ask that you respect our school expectations that our children follow.

1. Please USE the crossings AT ALL TIMES.
2. WALK across the crossing.
3. Follow the instructions/directions of our trained ROAD PATROLLERS.

Let's work together to teach and role model to our students the way to stay safe.

Please do not be offended if a teacher asks you to do the right thing.

Parking in or across driveways

Last week I had a number of the neighbours approach me about our school community parking in or across driveways and on yellow lines. PLEASE....

BE RESPECTFUL OF OUR NEIGHBOURS and DO NOT DO THIS.

The council have been contacted and will be checking for illegal parking.

Mobile Dental Clinic

The dental unit has not been able to come to Ebbett Park school this year. We are really hoping to be with you before the end of 2020. In the meantime, we will be just down the road at Raureka school from September 7th. If you are worried about any of your children's teeth, you are very welcome to contact us, and see us at Raureka. Our contact number is 027 234 2193, or 873 4870.

Please remember that brushing twice a day with adult strength fluoride toothpaste is so important to keep teeth clean and strong.
