Dear Parents/Caregivers

Yesterday the Prime Minister has announced that “New Zealand will move to Alert Level 3 at 11.59pm on Monday 27 April.”

The current plan is for schools to be able to re-open for a Teacher Only Day on 28 April as part of their preparation, and we expect those who need to attend, to be able to from 29 April. It may take a bit longer for some schools and early learning centres to be ready.”

“So here’s a reminder of the principles for Level 3 when we get there.

1. **Stay home.** *If you are not at work, school, exercising or getting essentials, then you must be at home, the same as at Level 4.*
2. **Work and learn from home if you can.** *We still want the vast majority of people working from home, and children and young people learning from home. At-risk students and staff should also stay at home, and they will be supported to do so. Early learning centres and schools will physically be open for up to Year 10 for families that need them.”*

I'm sure you will have many questions and concerns. I just wanted to let you know that we will be doing everything to ensure that everyone is safe and cared for during this transition.

For many of us, Alert Level 3 will be no different to Alert Level 4. For some of us, it will take time to start moving out of our safe bubble.

What we will need is an indication about who are **unable** to care for their children due to work commitments in Alert Level 3 and therefore, their children will be attending class at Ebbett Park School.

For those of you keeping your child at home please be aware that online learning will still be available and accessed.

In order to plan appropriately ALL families MUST inform us of the information below:
