

EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

Whats been happening...

Level changes

Thank you to each and every one of you for your understanding and compliance during the move from level 1 to 2 and back to level 1 last week. Our tamariki showed great resilience and continued school life as if nothing had changed.

We are all pleased to be back in level 1 with normal timetables. However, we are very disappointed that we have missed out on the planned Art Deco Trip Friday last week. The EXCITING news is that we are going to continue with a plan to return to the Winter Art Deco Festival instead (held on 16th July). So, please continue to send in permission slips and money and we will hold onto it and use it for the next trip. All money will be credited.

It was lovely to see Whaea Kelly all decked out in her Art Deco gear on Friday...for those that do not know...she LOVES Art Deco and is always participating in the celebrations during the Art Deco Weekends.

Vision

Empowering akonga to be culturally inclusive and engaged community members of the future. Striving to excel, standing with pride and connecting with spirit.

Mission

Student Achievement and Acknowledgement

Community Service

At the end of the 2020 academic year two Ebbett Park learners celebrated their birthdays. Rather than receiving gifts they asked their friends to donate food items for the Salvation Army. They then took these items into the centre and were acknowledged for their selfless actions.

Well done girls the Ebbett Park School whanau are very PROUD of you!

Classroom Champions

Congratulations to these tamariki who have demonstrated EXCELLENCE, PRIDE and/or SPIRIT during week 3 of this term. Very proud of all their achievements.

Values Bands

First values bands for the 2021 academic year. CONGRATULATIONS: Josie, Kaskade, Kacius and Makaire for reaching the target to get an 'Excellence' band. A big pakipaki to Kacius who now has 2 Excellence bands. Jayden received his Pride band.

Well done to our tamariki who continue to show our school values.

YOU ROCK TEAM!

Public Acknowledgement

I LOVE RECEIVING EMAILS LIKE THIS: I wanted to send you a quick email to let you know my experience with your road patrollers today (16th Feb) on Oliphant Road.

As you know it was terrible weather this afternoon so the kids had a pretty tough job on their hands! I wanted to commend them on their exceptional work they showed. When I stopped to let them pull their signs out they both signalled me with a thank you in sign language! This was a first and as a staff member of another school whom have children that sign was super awesome to see! Once all the children had got across safely they pulled their signs in and both gave me the thumbs up including a massive smile on both their little faces (even though they were in shocking weather they still had high spirits!)

I know all too often schools get negative feedback from the public but today was such a delight to see and I couldn't let the chance go by without letting you know you have some amazing children at your school!!

YOU HAVE MADE US PROUD
