SPORTS SIDELINE BEHAVIOUR

"A timely reminder with winter sports well underway about how our behaviour and actions as parents and supporters can affect our kids when they are out playing their sport. Sometimes as supporters we get too wrapped up in the competitiveness and the outcome of the game, when what we really need to consider is: is our child having a good experience playing sport?"

Many parents, teachers and teacher aides voluntarily help with our kids' sport. Our encouragement and support of these people who give up their spare time to help out is priority. They are there to help your child ENJOY their sport. Negative comments towards coaches, referees and officials can be damaging. Without these people to help out sport simply wouldn't happen in our communities. SO please remember that yes sometimes our coaches and refs will make mistakes, but they are human. If you think you have more to offer, remember you can volunteer too" (Thank you Ms Lees)
