EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

WHAT HAS BEEN HAPPENING

Last week wasn't what we hoped for but I am extremely proud of how our whanau, students and staff managed everything. We had been very lucky to not have any COVID-19 cases at school and the reality was that it was going to happen. Thank you to all our parents and caregivers who have been so proactive and supportive in making sure that their tamariki are safe and by doing this, making sure that all of our tamariki are safe. Your communication and trust in our procedures and practises at school has been appreciated.

The Ministry of health have created a website for ordering RATs if you are a household contact or have COVID-19 symptoms.

Classroom Spotlight

Keeping up with Room 5

Tēnā koutou

Welcome to room 5 where we are full of intelligent and skilled year 6 tamariki; where we are developing our skills in many different areas. We are very lucky to not only have 1 kaiako in our classroom... BUT we have 3 kaiako in the classroom! We have Miss Tokoar on Monday and Tuesday, Mrs Martin on Wednesday and Mr Dufty on Thursday and Friday.

Here at Ebbett Park our values of showing Excellence, Pride and Spirit are an important part of our school.

Each week we do activities that are linked to our values here at Ebbett Park. We look at how we can implement these in our classroom, as individuals in our own learning and towards others around us.

We learn more about ourselves through the tasks we complete here in room 5. We are currently learning about different types of poems, interesting hooks to grab people's attention when writing for an audience; as well as having our awesome personalities shine through our writing by using different types of punctuation marks.

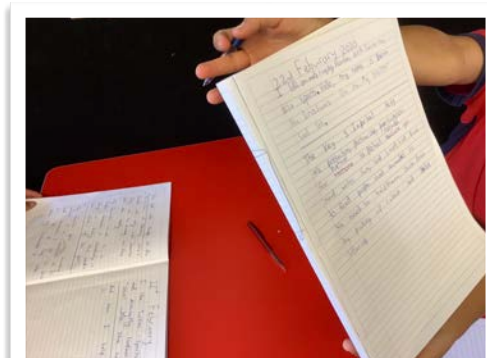

We have also enjoyed working collaboratively with our rōpus in the learning areas of reading and mathematics.

This week for Inquiry we have been focused on our Visual and Spoken Pepeha. Many of us have learned a lot about our family and through this more about ourselves and a sense of belonging. It has been awesome to see all the connections that we have made with each other through hearing one another's Pepeha.

We get super rowdy and excited when we are able to play games or kahoots to keep our learning interesting and fun. But most of all our favourite thing to do is have a game outside at the end of the day.

We are all so proud of the beautiful and amazing tamariki here in room 5 and looking forward to continuing along our learning journey together.

He waka eke noa. We're all in this together.

It feels like it has been too long since we donated to the schools! This was 3 years ago when we chose one local school, last year we split our donation between 3 schools that we support during the year with servicing etc.
This year we want to try something different.....
We would like our customers to put their school forward. We have quite a few schools on our books and would love to which ones the majority of our customers support too! Get voting. We will let you know on the 18th of March which schools we will be contacting to see how we can help them.

Tag your friends so they can share and comment too.
