

# EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

## WHAT HAS BEEN HAPPENING

Last week there were some changes to the COVID-19 protection framework. I have to admit it was nice watching sport and seeing crowds even though it didn't help the Highlanders!

These following changes come into effect at 11.59 pm on Friday 25 March

- There is no change to masks in education settings from the existing Red setting. Medical-grade masks remain a requirement for **staff working indoors with children and young people in Years 4-13**.
- For all New Zealanders, including school settings, masks will not be required outdoors.
- Capacity limits will be removed for outdoor events and activities.
- Indoor capacity limits for extra-curricular activities increase to 200 people, or a maximum capacity based on the maximum number of people who could occupy the space if each person was one metre apart (whichever is lower).

At Ebbett Park School these new changes don't make a lot of change to how we are operating. We are still operating in two bubbles, staff and Year 4-6 students will be required to wear masks indoors. Since we are still operating in bubbles we will still be unable to safely hold whole school assemblies.

You will notice the addition of our PB4L VIPs in this newsletter. These are a select group of students who have consistently demonstrated our focused school expectation of the week. Last week our PB4L expectation focused on using kind words. This week we are focusing on being the best Ebbett Park School example we can be.

Take care

Mr Dufty

# Welcome to Room 6

Nau mai haere mai ke te Ruma Ono!  
Kia ora Ebbett Park Whanau,

Room 6 has had a lovely start to our 2022, although we have all been dealing with the disturbances of Omicron we have still managed to keep it somewhat calm despite the chaos.

We are a vibrant class of 18 kind, motivated, energetic tamariki. Room 6 is very fortunate to have Cindy to support us in the classroom when she is not busy with her health coordinator role. This year I have decided to take the opportunity to extend my own learning and study psychology. This means I will be out of the classroom every Friday depending on any change in circumstances. Room 6 is lucky to have Mrs Wilson coming in to cover me. Mrs Martin is another release teacher who will visit us occasionally so that I can do some extra mahi as well as any check-ins with the children concerning their learning and Hauora (well-being).

Alongside all the other awesome individuals working in our classroom, we have also had Ms Lomax, a third year student teacher. We have had a lot of fun together, and have really appreciated all the awesome extra activities that we have been able to do with her support. We will miss her when she leaves, however we luckily get to still see her round school until she goes to her last practicum at the end of the year.

We have worked hard to develop a class treaty that we all agree will make our classroom a happy and safe environment. In Room 6 we try hard to follow instructions quickly, manage ourselves to get learning done, always be kind by using manners with others and remembering to make smart choices. As the tamariki have got quicker at managing themselves to complete their must dos they are becoming more excited to share their work on seesaw with their whanau. It's so lovely to see the pride they hold in themselves.

We are very excited to see what the year will hold in store and can't wait to embrace new challenges and experiences together as a team!!

Nga Mihi Nui,

Anya Morrish.
