

EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

WHAT IS HAPPENING...

This week is 'Bully-Free' week and our tamariki will be focusing on this particular topic as part of the Values focus.

We will then be celebrating the end of the week with '[PINK SHIRT DAY](#)' on **Friday 20th May**. This means that learners are encouraged to wear a pink shirt with their school shorts and bring a gold coin donation to support the cause.

Vision

Empowering alonga to be culturally inclusive and engaged community members of the future. Striving to excel, standing with pride and connecting with spirit.

WHAT HAS BEEN HAPPENING

Last week was a big week with a number of different sports taking place.

On Wednesday and Thursday we had a number of teams participate in the 'Rippa Rugby' competition. It was great to see so many involved and hear about the tries and tags that took place. The tamariki came back to school tired but excited about the day they had had.

Thank you to the staff that organised and went with our teams and to the whānau members that were their supporting. It was the first time we have been able to attend an event that involves a large number of schools and have whānau present - I really am looking forward to more of this happening.

Last week was also the start of our netball training. Again, it is great to see so many of our tamariki getting involved. Our first games start this week. The draw information will be in this newsletter each week as well as on our various digital platforms. Each player has details about their team and draw information. Good luck to those playing this week - fingers crossed for fine weather.

BULLY-FREE WEEK

Anti-Bullying Week What is Bullying?

Bullying can mean many different things to different people. These actions can be described as bullying if they happen often and are done on purpose.

These things can happen at school or at home, but they can also happen online and on social networks. If you are being bullied, or someone you know is telling you that they are being bullied, always tell someone. A grown-up will be able to help.

PUBLIC NOTICES

KEEPING OUR KIDS SAFE

IT IS IMPORTANT FOR OUR CHILDREN TO KNOW HOW TO IDENTIFY UNSAFE BEHAVIOUR AND WHAT TO DO IF THEY FEEL UNSAFE.

Behaviour danger
Behaviour danger refers to suspicious behaviour that could make children feel uncomfortable, unsafe or scared. This can take a variety of forms and might be unwanted approaches, inappropriate touching, unwanted stares, or requests on social media for photos or personal information. Statistically, children are far more likely to suffer harm from people who are known to them. Police therefore encourage a behaviour-based discussion around keeping children safe. This means focussing on the **behaviours and actions** that are inappropriate, rather than the **types of people** that could cause harm.

Children should be encouraged to trust their 'gut instinct' and take action if they feel like something is not quite right.

Advice for families, whānau and caregivers

- Have discussions with your children about identifying and reporting unsafe behaviour
- Teach your child how to get safely to and from school and other places they go
- Go to school with your child so you can show them the safest route
- Make clear rules about getting home. Make other arrangements if someone is away
- Teach your child to deal with hazards like narrow 'creeper' paths or busy roads
- Meet the parents of the children in your area and keep in touch. Make sure you know who your child walks home with
- Teach your child to walk home in pairs or small groups, not alone
- Encourage your child to take action when they feel uncomfortable, unsafe or scared. They may be able to talk to a trusted adult, a teacher or a Police officer
- Listen carefully to what your child is saying – take notice of anything that's unusual or out of the ordinary and discuss with your child what they can do if it happens again
- If you feel very uncomfortable with something, raise your concern with their teacher.

Advice for kids

- Trust your 'gut instinct'
- If you feel uncomfortable, remove yourself from the situation
- Tell someone if you feel uncomfortable, unsafe or scared
- If the first person doesn't help, keep trying until someone does.

If you see anything suspicious, don't hesitate to **call 111**

If you have any information which can assist Police, call or visit your nearest Police station.
