Te Ahu o Te Reo - Learning Opportunity for our school community.

During term 3 and 4 of this term the Ebbett Park School staff are involved in this professional development. It is NOT just for staff but also our school community.

Below, is a quick overview of the schedule:

•The introductory noho will be on the 23rd - 25th July 2021.

•Following that, there will be three full day workshops that will run once a month. Two of these workshops are compulsory and the third is optional.

•There will also be a two hour window each week for you to catch up with your kaiako online via zoom should you be needing any support in your studies or have any questions.

•Towards the end of the programme (November - December) we will be holding assessments to go through and evaluate your learnings throughout the programme.

If you would like further information or if you are keen to up-skill in Te Reo Maori and be part of this Professional Development **please contact Kate as soon as possible.**

There are limited spaces for our kura so first in first served.

ARE YOU INTERESTED IN JOINING US ON OUR TE REO JOURNEY? Then this is for you....

available

from 9am

WHAT HAS BEEN HAPPENING

Reading Together Programme

This programme has now finished for the year and it was so wonderful to see so many of our whānau getting involved. Mrs Anna Bush would like to say a big thank-you to the wonderful members of our community that joined her for the Reading Together programme. It was great getting to know you all. Please remember if anyone in the school needs help with home reading please feel free to contact me. I am only too happy to help.

The reading together programme is to show you additional ways to help your children become better readers. (understanding and enjoyment).

We have just finished the programme with a lovely group of parents, so watch out for next year's programme. Some of the parents/grandparents said:

"I felt so much better about reading, plus I'm not stressed about getting it right all the time. I feel this activity was very beneficial".

"I enjoyed meeting others and how they do things, great support". "Thanks Mrs Bush"

"I learned when it is the best time to read or get my child to read books".

"It has made a big difference with helping my child".

School Apps

ClassDojo

A free app we use to reward students and an easy way to communicate with your Childs teacher.

Skool Loop

A free app for us to share notices, for parents to sign permission slips and to inform us of your child's absences.

Seesaw

A free app to access your child's learning and experiences while at Ebbett Park School.

"My confidence in myself at reading has improved".

"I have really enjoyed it".

"The more reading that we all do together the more the kids want to do. It's much less of a battle and the kids are really enjoying the special time as a family. It's also been cool to start reading chapter books from when we were growing up to my children".

"Making reading fun again and not a chore".

"Knowing how to help my child with tricky words and how to work out if a book is hard or not".

Tough Kids Challenge

We had a few of our tamariki participate in this year's Tough Kids Challenge and those that did had an absolute ball. It was great to hear that they demonstrated our Ebbett Park School values while out in public. A special mention must be made of a young man who, after he had finished went back to help and encourage the girls that were still on the course. Well done Trinity this is what living our values is all about.

SPORTS RESULTS

NETBALL

Netball Results for last week: Round 4

Ebbett Park Mana **WON** by default.

Ebbett Park Kaha played St Joes Toru. Unfortunately this game was rained out and the teams elected to record as a **DRAW**

Ebbett Park Matatau had a bye

School Apps

RUGBY

On Wednesday we played St Mary's. this was our first game so we were nervous about how we would play. Everybody played really well, which helped Stylee, Waka and TJ make some great runs. The result was that we won 35 – 10 with players of the day being TJ and Manaia.

Next week we play at school. Please come along and support us.

Positive Behaviour 4L LEARNING

**Our
Week 7

PUBLIC NOTICES

WINTER HEALTH

There are increasing numbers of COVID- 19, influenza, and other viruses circulating in our community, which is putting significant pressure on our hospital and GP services. This has seen a significant increase in absenteeism at schools, kura, early learning centres, te kohanga reo across Hawke's Bay.

Advice if unwell:

Test for COVID-19 using a RAT.

If you test positive, upload your result to your My Covid Record and follow the Ministry of Health advice.

If you have had a COVID-19 infection within the previous 90 days and are unwell again it is very unlikely this is a reinfection of COVID. Repeat COVID testing (RAT and PCR) within these 90 days is necessary only on medical advice.

Stay home if unwell as winter viruses are very infectious.

Return to school/ kura/ early learning centre, te kohanga reo when symptoms have resolved. There may be some discretion used for children to return when they have improving and very mild symptoms such as a slight cough or runny nose but are otherwise well.

Wearing masks, cough etiquette and hand hygiene are strongly encouraged.

This helps to reduce the spread to other people.

Drink plenty of fluid

Take some paracetamol or ibuprofen as directed.

Paracetamol and ibuprofen can help reduce pain, headache and fever.

Cold and flu medicines

Warm lemon and honey drinks have been found to be as effective as cough syrups. On average, a cough after a viral infection lasts for 17 days.

When to see a GP

If you have worsening symptoms, difficulty breathing, have pain in your chest, are feeling dehydrated despite drinking plenty of fluid, are coughing up blood, or have had fevers for more than five days or call Healthline on 0800 611 116.
