Matariki Week

Thank you to everyone who helped to make our Matariki week such a success. It was wonderful to see so many joining us to celebration of all the Matariki activities that students and staff have been working on. We were blown away with the response to our hangi. A huge thank you goes to Whaea Kelly - you are amazing. Also - thank you Matua Lee for your yummy hangi.

Vision

Empowering akonga to be culturally inclusive and engaged community members of the future. Striving to excel, standing with pride and connecting with spirit.

Staff Changes for Term 3, 2022

Farewell to Mrs Anna Kumar

It is with mixed emotions that I inform you of the departure of Mrs Anna Kumar at the end of this term.

Anna came to us in 2020 from Frimley School where she had completed 6 months of her first year of teaching. She has been with us since then and during this time has grown both personally and professionally. She has willingly put herself in challenging positions, taking up leadership roles across both the school and Kahui Ako.

Mission

Ebbett Park School will challenge students to excel and provide them With all they require to be lifelong learners.

Mrs Kumar has been awarded a 2 year contract in Doha working at an international school. She is travelling with her family who are excited about the experience they are about to embark on.

She is going to be missed member of staff and while we are sad to see her go we are also very happy for her to see her taking up yet another challenge in her career and wish her all the very best.

Welcome to Mrs Jo Harris

Mrs Jo Harris comes to us from Elsthorpe School where she has been covering a maternity leave position. She is ECE trained and has spent time in primary school using her ECE training to build capacity in the junior school. She is a perfect fit for room 6, taking over from Mrs Anna Kumar.

Kia ora,

I'm Jo Harris and I am excited to be able to join the Ebbett Park School team for Terms 3 and 4, in the Junior Classroom, Years 1 and 2. Currently I am at Elsthorpe Primary School in the Junior Classroom, coming from a background in ECE, with over 20 years experience.

I have thoroughly enjoyed my time in the Junior School, being able to incorporate my ECE knowledge and experience in supporting tamariki in their transition into school, building relationships and supporting the children in their learning.

I look forward to being able to get to know your tamariki, whanau and community.

Welcome to Mrs Millie Ormond

Mrs Millie Ormond will be working with Mrs Kana Tere-Taylor in establishing and leading our transition class for terms 3 and 4. These two teachers will be working together to build the capacity of our New Entrant students to enable them to settle into school learning with ease. Millie is also ECE experienced but has been working at Heretaunga Intermediate as the Food Technology teacher.

Kia ora koutou, ko Millie Ormond toku ingoa.

I feel privileged and excited to be joining the Ebbett Park School whanau next term. I am from CHB but my husband

Tafai remembers his school years at Ebbett Park as the best of his life! Our four sons are at high school and intermediate, and I come to you from teaching cooking at Heretaunga Intermediate. I can't wait to meet you all, please come and say hi, talofa, malo!

GROWING THROUGH GRIEF

Our Growing Through Grief service provides Seasons for Growth® education and peer-support programmes for children, young people, and adults who are experiencing change, loss and grief in their lives. **This may include the death of a loved one, parental separation or divorce, moving house or school, as well as many other life changes and losses.**

Seasons for Growth® programmes aim to strengthen the social and emotional wellbeing of those attending following significant loss and change, and to support individuals to adapt to what they are experiencing.

The metaphor of the four seasons provides a framework within which participants can explore their experiences of grief with others, develop skills and understanding, and restore self-esteem and self-confidence.

Seasons for Growth® respects all cultural and spiritual beliefs.

We have this programme running at Ebbett Park School in TERM 4 this year.

I would like to gauge interest in order to be able to book in the appropriate number of sessions. If you believe that your child would benefit from participating in this programme please fill in the information below and return to the school office or email Kate to let her know.
