What's Happening This Week?

School visit to Te Aranga Marae

Wow! What can I say about the fantastic visit on Friday to Te Aranga Marae. Our tamariki demonstrated our school values and did us proud. This is the first time for many of our tamariki to experience a pōwhiri and/or being on a marae and they did an exceptional job of behaviour and respecting marae protocol.

A huge THANK YOU to Whaea Kelly and Mrs Rurawhe for all their organisation, planning and management of the day. THANK YOU to Taki, a member of our community, who supported us with whaikorero and Whaea Kelly for the karanga.

We have forged a relationship with Te Aranga Marae that will be extended into the future.

PARKING on Oliphant Road

Across the road from school and to the right of the Ebbett Park park entrance is finally being developed. With this we have a great deal of trucks and work men around. For safety reasons the area in front of the house is being coned off and parking has been removed. This means that parking along Oliphant Road is limited. PLEASE follow the legal road rules and be respectful of our neighbours by not parking or stopping in or up their driveways.

Ebbett Park School and Healthy Active Learning Write up from Sport Hawkes Bay

Ebbett Park School - *Kia Whakatau te Hauora*

Ebbett Park School have developed a programme that focuses on their whole school wellbeing. Twice-termly, Ebbett Park are hosting a 'Kia Whakatau te Hauora' afternoon. These afternoons are an opportunity for tamariki to choose an activity based around their interest, with a strong focus on their Hauora and wellbeing. They provide ākongā an opportunity to experience hauora their way, with activities based on Te Whare Tapa Whā. The options for tamariki include: play, Māori games, physical sport, mindfulness, gardening and yoga. These sessions will develop, and change based on student interest and needs, as well as the needs of the community. Whānau will be invited to play alongside their tamariki in future sessions.

The first of these sessions resulted in a video, which has been shared across Sport New Zealand and the Hawke's Bay Healthy Active Learning Schools. This video is the first sharing of our Healthy Active Learning mahi - so it's super exciting to be able to share and be proud of! Video Link - <https://youtu.be/8EJSU7nv8IO>

Parenting is rewarding but hard work. The Incredible Years Parent Programme is a research-based programme for parents (or caregivers) who have young children aged from 3 to 8 years with challenging behaviours. The programme provides practical suggestions in every-day situations with a focus on you and your child's wellbeing.

Learning parenting skills in a supportive group is effective and fun. The facilitators will build on what you are already doing well and support you with different ways to manage your child's behaviour for the things that are not going so well.

Expressions of interest to the programme can be made by either the parent/caregiver or by others involved in supporting the whānau (with parent permission) by completing this form.

The programme helps to:

- Develop positive family relationships
- Provide whānau with new strategies to prevent misbehaviour
- Provide a support network for parents and caregivers
- Increase children's social skills at home, early childhood settings and school

What the course covers:

Parenting Skills:

How to play with your child

Praise and rewards

Effective limit setting

Preventing and handling misbehaviour

Personal Skills:

Communication, Problem Solving, Stress Management, Giving and Receiving Support

Programme details:

- You are welcome to attend the programme if you are a mum, dad, grandparent or caregiver. Support people can come too but no children sorry.
- The group meets for 2.5 hours each week for 14 weeks with a break in the school holidays. You need to be prepared to attend all sessions.
- There is no cost to participate but you may have to think about costs related to childcare while you are at the weekly sessions, and the cost of getting to the venue. Sometimes we can help with this.
- It is run in a small group (14-18 adults), with 2 trained facilitators.

If you would like to talk about a programme, please make direct contact with:

The Incredible Years Coordinator at the Ministry of Education, Hawke's Bay-Tairāwhiti: ☎ (06) 833 6730
