PARKING on Oliphant Road

Across the road from school and to the right of the Ebbett Park park entrance is finally being developed. With this we have a great deal of trucks and work men around. For safety reasons the area in front of the house is being coned off and parking has been removed. This means that parking along Oliphant Road is limited. PLEASE follow the legal road rules and be respectful of our neighbours by not parking or stopping in or up their driveways.

Values Bands

CONGRATULATIONS RJ who was awarded his Excellence/Matatau Values band during assembly today. He can be proud of the way he handles himself and the young man he is becoming.

Classroom Champions

Congratulations to these group of awesome tamariki who have been noticed demonstrating one of our school values consistently throughout the week last week. They have done themselves proud and were all very pleased to be acknowledged today during assembly.

Classroom VIPs

Our VIP students across the school have done an amazing job at living the values focus last week. They continue to role model our expectations and have been noticed doing so. Congratulations to you all.

Class Environmental Champions

Room 3 and Room 4 tamariki did themselves proud last week. Both classrooms have been acknowledged for the way in which they have kept their cloak-bays clean and tidy. They have certainly put the pressure on the senior students who could learn a lot about pairing shoes, putting things into their bags and generally picking up after themselves. WAY TO GO Room 3 and 4 - OUTSTANDING!

Positive Behaviour 4L LEARNING

Our Week 4 PB4L Focus is:

We can show that we are able to manage our own learning.

This week we are all learning strategies that we can use to help us focus on our learning and not get distracted by others around us.

Ignoring Distractions

- Take a deep breath. 

- Focus your eyes and body on your work. 

- Ask your classmate to stop. 

- Use self-talk! 

"I won't look, I'll keep working."

"I will put my eyes on my book and keep reading."

"I can ignore them and focus on my work."

Ngā Tau Mīharo

Parenting is rewarding but hard work. The Incredible Years Parent Programme is a research-based programme for parents (or caregivers) who have young children aged from 3 to 8 years with challenging behaviours. The programme provides practical suggestions in every-day situations with a focus on you and your child's wellbeing.

Learning parenting skills in a supportive group is effective and fun. The facilitators will build on what you are already doing well and support you with different ways to manage your child's behaviour for the things that are not going so well.

Expressions of interest to the programme can be made by either the parent/caregiver or by others involved in supporting the whānau (with parent permission) by completing this form.

The programme helps to:

- Develop positive family relationships
- Provide whānau with new strategies to prevent misbehaviour
- Provide a support network for parents and caregivers
- Increase children's social skills at home, early childhood settings and school

What the course covers:

Parenting Skills:

How to play with your child

Praise and rewards

Effective limit setting

Preventing and handling misbehaviour

Personal Skills:

Communication, Problem Solving, Stress Management, Giving and Receiving Support

Programme details:

- You are welcome to attend the programme if you are a mum, dad, grandparent or caregiver. Support people can come too but no children sorry.
- The group meets for 2.5 hours each week for 14 weeks with a break in the school holidays. You need to be prepared to attend all sessions.
- There is no cost to participate but you may have to think about costs related to childcare while you are at the weekly sessions, and the cost of getting to the venue. Sometimes we can help with this.
- It is run in a small group (14-18 adults), with 2 trained facilitators.

If you would like to talk about a programme, please make direct contact with:

The Incredible Years Coordinator at the Ministry of Education, Hawke's Bay-Tairāwhiti: ☎ (06) 833 6730
