She can write 71 high frequency writing words and her reading is fluent and phrased. Keep up the great work Kyexar. Ebbett Park School is very proud of you.

What's Coming Up?

Year 6 Camp

We sent our year 6 students, Ms Tokoar and some very excited whānau off to camp today. They are away at Guthrie Smith, Tutira for the first 3 days of this week. We wish them all the very best and hope that they have great weather and a WONDERFUL time.

We look forward to seeing them upon their return on Wednesday - no doubt looking tired but well exercised.

School Swimming Pool

During Term 4 of the school year we work hard to ensure the school swimming pool is up and running, particularly for the warmer days that we can experience during this time.

Unfortunately, part of the pool fence is no longer fit for purpose and MUST be replaced and the pool requires painting. Both of these tasks are planned for starting mid November.

Until they are complete the pool will not be available for use. However, once completed we will work hard to ensure the pool is functional and available for use by our tamariki.

Ebbett Park School Property Development

Over the last year we have been working with the Ministry of Education to make improvements to the Ebbett Park School buildings and environment. It is with great pleasure that we can now confirm **4 developments** that will be taking place over the next year, 2 of which will be starting before the end of this term.

1. **Replacement of the PMC buildings:** Room 9 and 10. These buildings are not permanent buildings and are well past their 'use by date'. Starting in November two new classrooms will be built in the area of the old playground.
2. **New playground** will be established in the vicinity of the old room 9 and 10 classroom space. This is reinstating the senior playground that has been out of commission all year.
3. **Upgrade of old boiler room and block A:** Rms 1-4. The boiler room has been decommissioned for many years now and is a space that is not used. This will be designed into a joint office for the principal and DP. The current Principal office become a meeting space for all and any meetings that need the space. The bathrooms between room 2 and 3 are being made into break out spaces and the toilet block at the end of room 4 reconfigured to have separated boy/girl bathroom spaces accessible from the playground.
4. **Bike Track:** Field: Once all building work has been completed a brand new bike track will be established around the field area. This will allow 'Bikes In Schools' to become a programme at EPS and our tamariki will have greater space to ride their scooters.

As work progresses we will inform our community of any changes that you need to be aware of.

Beach Education Trip

Due to number restrictions our Beach Education trips have changed to covering only Year 3-6. We are in the process of planning an alternative programme for our NE - Year 2 learners on one of these days and we will inform you of the this as soon as it have been confirmed.

The Year 3 - 6 learners have a separate information letter and permissions slip with them today - PLEASE RETURN THIS to the school office by FRIDAY 4th November.

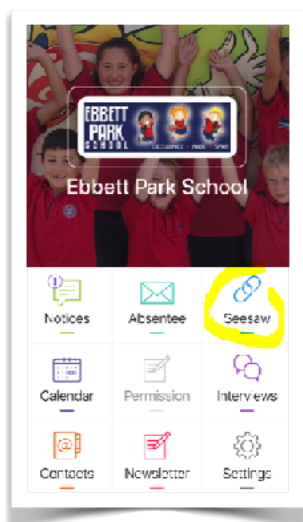

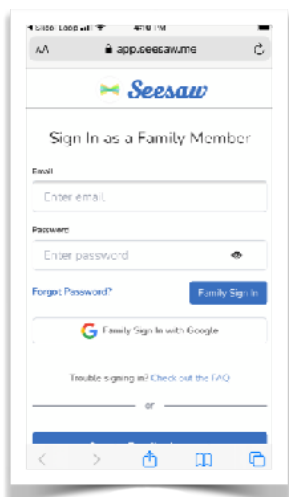

Hats

As term 4 is identified as a sunny term ALL learners are required to wear a BLUE school hat.

These can be purchased from the school office at \$8 each.

Any learner WITHOUT the CORRECT School HAT from Tuesday 25th October will be out of the playground during school break times and sports sessions.

Skool Loop Update

The App has been updated! Your Seesaw parent portal is now linked to your app, making it easier for you to log in straight from Skool Loop.

Positive Behaviour 4L LEARNING

Our PB4L focus:

For the next two weeks our tamariki will be exploring values of spirit/mana.

Some of the questions that students will be exploring are:

What is spirit? What is mana?

How do you show spirit and mana in the classroom, playground, sports field, at assembly, at home or in the community?
