## Asbestos Removal

Due to unforeseen circumstances the removal of asbestos over the weekend was not completed. This will be continued and completed this WEEKEND - Friday 25th - Sunday 27th November.

**PLEASE ENSURE WHANAU AND MEMBERS OF THE PUBLIC REMAIN OFF SCHOOL PROPERTY AT THIS TIME.**

Thank you EVERYONE for your continued support and understanding around the project work and the change to entry/exit to school and drop off/and pick up.

**I would like to encourage whānau that are picking up an 'only child' to come just a little before 2.45pm. This means that parks would be available for the whānau group at 2.30pm and they can exit quickly leaving available parks for the later pick up.**

## Road Safety

Please ensure that our tamariki are safely delivered to school via our Wall Road entrance while construction is underway. No one is to be entering school from Oliphant Road. We understand that this can be frustrating however this is a small price to pay for the wonderful development happening. One side of Wall Road has no parking and is a no stopping area, so please don't park on that side. We have our road patrollers and staff helping any students needing to cross every day.
