EXCELLENCE, PRIDE & SPIRIT

Important Information

What's Been Happening?

Check out the building progress...

Last week was a rather quiet week on site. Monday saw the team working on filling the boiler room so that they could prepare for the concrete to be poured. This should be happening some time this week and now that the asbestos has now been removed and further work can take place in the toilet block between room 2 and 3 and at the end of room 4.

Vision

Empowering alonga to be culturally inclusive and engaged community members of the future. Striving to excel, standing with pride and connecting with spirit.

School Apps

ClassDojo

A free app we use to reward students and an easy way to communicate with your Childs teacher.

Skool Loop

A free app for us to share notices, for parents to sign permission slips and to inform us of your child's absences.

Seesaw

A free app to access your child's learning and experiences while at Ebbett Park School.

Drop off, Pick up and Road Safety

I would like to encourage whānau that are picking up an 'only child' to come just a little before 2.45pm. This means that parks would be available for the whānau group at 2.30pm and they can exit quickly leaving available parks for the later pick up.

Please ensure that our tamariki are safely delivered to school via our Wall Road entrance while construction is underway. No one is to be entering school from Oliphant Road. We understand that this can be frustrating however this is a small price to pay for the wonderful development happening. One side of Wall Road has no parking and is a no stopping area, so please don't park on that side. We have our road patrollers and staff helping any students needing to cross every day.

MUSIC TRUST PERFORMANCE

On Wednesday 23rd our learners joined Hastings and Heretaunga Intermediate and Hastings central at Toi Toi to showcase the learning they have done over the 2022 year.

We are very lucky to have this learning experience at school. It was so wonderful to see our tamariki perform in front of their whānau and they did us proud.

It is imporatnatt to acknowledge Mrs Weeks and Mrs Baker for the time, effort and passion that they have for our tamariki and their music learning. This programme would not be as successful without you - THANK YOU xx

BEACH EDUCATION

Thursday and Friday last week our senior students (year 3- 6) spent the day at Westshore where they spent time learning about the beach and beach safety. They now have a better understanding of a RIP and how to recognise one and what they should do if they are ever caught up in one. Despite the not so 'summery' weather everyone had a great deal of fun, especially participating in the 'races' that meant the adults had to get wet too!

Staffing for 2023

As we prepare for the end of the 2022 academic year I can confirm staff for 2023...

At the end of the year we will be saying a farewell to **Anya Morrish** who has decided to take a break from teaching and explore her options. She has been with us since 2019 when she joined as a beginning teacher. She has been involved in sports across the school, Kapa Haka and actively supported our PALs leaders. We wish her all the very best.

Also leaving us at the end of the year is **Lana Richards**. We were fortunate to have her join us in 2021 as a Learning Assistant and her presence at EPS has had a positive influence. Sadly, Mayfair School has enticed her back for 2023. We wish her all the very best in her move back to Mayfair.

We are very fortunate to have our current fixed term staff members: **Kana Tere-Taylor, Annie Rurawhe, Jo Harris and Valeria Tokoar** ALL remain with us next year in both permanent and Fixed term positions. They have made fantastic additions to our staffing team and we look forward to drawing on their skills, knowledge, experience and passion to take EPS to the next level during 2023.
