**EBBETT PARK SCHOOL**

**EXCELLENCE, PRIDE & SPIRIT**

## Principal Message

Welcome back! We have already had a big six months and there is still more to come.

Over the holiday's there has been further progress at school. Painting of the exterior buildings has begun, Ms Tokoar's classroom has moved into Room 3, which is one of our newly refurbished classrooms, one of our amazing builder teams have been busy lining walls and working on our new main toilet area, while our other amazing builders have continued getting our brand new classrooms ready for Rooms 9 & 10. Work has started on a new storm water drain system and this will continue over the term.

This term we welcome Whaea Jessica to our team. She is starting our new New Entrant classroom which is going to be based in Room 5. We are so lucky to have Whaea Jessica, comes with a wealth of experience and enthusiasm.

There are also a few changes to our school timetable this term. Assembly times have been moved from first thing on a Monday to Friday afternoons every odd week. Friday afternoon's will be shared between school assemblies and Kia Whakatau te Hauora, which will be held on even school weeks. We continue to have our school wide Structured Literacy Programme running Monday, Tuesday, Wednesday and Friday from 9.00-9.30am.

This term is a solid learning term. For any learner to get everything they can from school they need to be present. Please ensure that your child is at school regularly this term.

It is going to be a busy term and I am aware of 'well being' of both staff and students. If you are needing to get in touch with staff please do this between the hours of 8.00am and 5.00pm. Please do not be offended if your message is left unread or not responded to until the following day as staff need whānua time too.

# What's Been Happening

Our new Values Bands recipients.

Rakena Brightwell (Room 9) has earned his Spirit/Mana values band.

JJ Gray (Room 9) has earned his Pride/Kaha values band.

## What are our Values Bands?

Our values Bands are given to students who have been recognised by our staff with a Values Voucher. When students reach 50 **Classdojo** point they automatically earn a Values Voucher. These Values Vouchers are collected and a tally is kept. Once they have earned a certain amount students receive a Values Band. This is an important part of our school-wide reward scheme.

## Classdojo

How do parents use **Classdojo**? Everyday your child's teacher will be adding **Classdojo** points when your child shows off their amazing talents or show our school-wide classroom expectations. Parents can also view this once they have connection to the app and used the code provided by their child's teacher.

Students see and hear **Classdojo** in their classroom everyday. Sometimes points will be taken off when behaviour expectations are not followed.

**Classdojo** is also a great way of home and school communicating. Many parents have also used **Classdojo** as a way of rewarding their child at the end of the week - set a points goals and encourage your child to reach it.

# Coming Events

## Self-Defence Programme: Y3-6 Girls

Starting next week we have our girls taking part in a self-Defence programme. Our Year 5 and 6 girls will be involved on Monday 24th for the day and Year 3 and 4 girls will take part on Monday 31st July. These group do not require anything special for these sessions.

## YEAR 6 Learners - Intermediate School

Our Year 6 learners will be involved in visiting our local Intermediate School's in anticipation for their transition next year. Details about visits and open days can be found in the school newsletters and on our various school apps and social media accounts.

This can be a nervous time for these tamariki and to lessen the stress it is important for whānau to start this conversation early and be part of the process. Enrolment information can be sought directly from the Intermediate Schools.

Please remember we are here to support this transition so feel free to come in and chat with Mr Dufty and/or Ms Medlicott if you have any questions or need support.

## School Uniform

As we move into the cooler months please remember to send your tamariki to school in correct uniform.

School shorts, shirts and hoodie are required. If it is cold tamariki are able to wear BLUE, PLAIN track-pants instead of the shorts.

School has jackets available for tamariki also. During the next few weeks we will work at distributing these to our tamariki so that everyone has a jacket.

If for any reason your tamariki is missing a piece of uniform please communicate with the classroom teacher as soon as possible. We have some spare uniform to lend. If it is a hoodie they are missing then the next option is for our tamariki to wear the jacket and NOT a random sweatshirt please.

## Something Special

A big thank you to Autism NZ for their sponsorship of a fun hour at SuperStrike Hastings.

In celebration of Autism Awareness Month some of Ebbett Park School's high needs students were able to enjoy a fun afternoon 10 pin bowling with their families.

For most, it was their first time at the bowling alley. Busy, noisy & unfamiliar environments can trigger high anxiety in children with autism so it was a great opportunity for families to explore a new place in a safe setting.

The afternoon was enjoyed by all.

## Well-Being Information

### Sleep Training

info@sleepharmony.co.nz  
www.sleepharmony.co.nz

If you have families who are constantly arriving late for school it may mean that they are struggling with sleep routines. The rush of the morning routine can cause stress and tension for all involved. This is especially true for children who are neurodiverse. Parents may not realise that the morning chaos often stems from a lack of quality sleep.

Over time the constant sleep deprivation and stress for the parents and children becomes overwhelming which may have a knock on effect during the day. Sleep deprivation can cause them to have lower immunity, take more sick days, be less productive, be disruptive, hyperactive or withdrawn and have constant brain fog.

I am reaching out to you today, to let you know about the services that I offer in case they can be of use to your families. My name is Clare and I am a Paediatric Sleep Consultant based locally in Kaipoi. I am the owner and director of Sleep Harmony NZ Ltd. The aim of my business is to support families with their child's sleep struggles so that the whole family benefits.

I offer one off 30 min Sleep Chats for parents to ask questions and trouble shoot sleep concerns for children who are already able to self settle and have previously been good sleepers.

Or for children who have never slept well I have Comprehensive phone consults which include an emailed bedtime 1 hour share call to discuss what is currently happening and find out what has been tried in the past, we talk about parenting styles, then decide on a personalised sleep training approach. I follow up with a written sleep plan after, receive in a sleep log and 2 weeks of scheduled support through text, message or email.

I am not sure if you offer your staff any well-being incentives as part of their employment with you, but wanted to let you know that I am happy to work with you to create an employment sleep consulting package should the be something of interest. Alternatively I would love it if you could put something in your newsletter, or put a poster up somewhere for staff and families to see.

My current rates are  
\$300 1hr chat  
\$250 Phone Consult  
If you have any questions please don't hesitate to reach out. I can be contacted at 029455277

All the best,

### Is it hard to get your child to school on time?

Most children are chronically overtired which can mean that they are hard to wake, slow moving, grumpy and unmotivated in the mornings. This often means that mornings are stressful for everyone, they are late to school and you are late to work.

Turn this around and make mornings easier for your family by prioritizing sleep.
